# PINGU IN THE HAUNTED LIBRARY

On Halloween night the students and Pingu enter an old library. Strange noises come from the shelves and books start to move by themselves. They discover that a friendly ghost is trapped inside a story book. So they start talking with him: "I am a friendly ghost. I was trapped inside this book by a bad witch with green skin. Please help me!" So Pingu and the students decide to help him and find out that they have to read some words from the book. When they finish reading the words a light sets the ghost free. He thanks them and goes away.
